PRIVACY NOTICE FOR THE MONITORING INFORMATION RETURNS FOR SERVICES USED OF THE CHILDCARE OFFER

The Welsh Government has access to personal and special category data of parents, carers and children receiving services from local authorities. Additionally, the Welsh Government has access to personal and sensitive data of childcare providers delivering services funded by the Welsh Government under the childcare offer.

The collection and processing of this data is necessary to perform a public task (i.e. exercising our official authority to undertake the core role and functions of the Welsh Government). This enable the operation of, and to provide information which will help the Welsh Ministers to make decisions relating to the development of the policy in relation to, the childcare offer which is being delivered to improve economic and social well-being in Wales in accordance with section 60 of the Government of Wales Act 2006¹.

What is personal and special category data?

Personal data is defined as information from which a living individual can be identified.

Special category data is defined as personal data consisting of detailed information relating to the data subject such as ethnic group, or health condition.

You, as either the parent or carer of such a child, or childcare provider delivering services to a child in receipt of the childcare offer have the right to be informed about what information Welsh Government have access to, its processing and uses of this data by Welsh Government.

However, the data sent to Welsh Government will **not** include your name, unless your name is your business name, which is publically available.

How will the data be used by Welsh Government?

The data sent to Welsh Government will be used:

- to measure how well Welsh Government and Local Authorities are delivering their services to you and your child;
- to support improvements to these services;
- to allocate money to Local Authorities and others; or
- to support wider research into the provision of services to you and your child, or others;
- to link data from this form to other data sources for the purpose of evaluating the impact of the project on the individuals who take part.

The data sent to Welsh Government will **not** be used by them:

- to take any action in relation to you or your child, or your childcare setting; nor
- to identify you or your child in any reports.

The data sent to Welsh Government will be held securely by it and it will only be shared with others under strict controls. It will never be shared in such a way that would allow you or your child to be identified unintentionally.

As part of its role as data controller for the data that is transferred to Welsh Government, Welsh Government may ask for your contact details and share these along with the data outlined in this notice, with non-government agencies and researchers, but only for statistical or research purposes.

As soon as is possible, data items collected through research purposes which could identify individuals will be removed and any such disclosures will be approved and controlled by an appropriate WG data access agreement which will:

- ensure secure transfer, storage and eventual destruction of the data;
- limit the use to the specific requirement identified; and only allow the data to be stored for the duration of the research project

Results from analyses carried out using the data but using aggregated totals may be made available in statistical or research publications released via the WG website and also via data placed on the StatsWales data website, available here:
