

Leisure Terms and Conditions

The leisure card conditions of membership are listed below.

If you lose or damage the card you must buy a replacement card (£3.00).

To access facilities and benefit from reduced rates (up to 25%) you must always have your card available to swipe in the leisure centre's computer system. If you don't bring your card you may be charged the full price.

Please note: You must produce your card in order to take part in the free-swimming initiative during the school holidays.

The cards are issued with a unique reference for each individual, and are not transferable. Those found to make use of other individuals' cards will forfeit the right to have a card.

The card allows you to book facilities up to six days in advance over the telephone. However, if you fail to honour the bookings you will be charged and your card will be invalid until the amount is settled.
